The Charlotte Independent School District has received official notification from the Texas Education Agency on its accreditation rating. TEA has notified Charlotte ISD that it's rating is Accredited Probation. The possible ratings are (1) Accredited (2) Accreditation Warned (3) Accredited Probation and (4) Unaccredited/Revoked.

The following are requirements that the district must meet within 30 days of the notifications:

- 1) Place the rating on the district website
- 2) Hold a public meeting
- 3) TEA will assign a monitor to the school district

The district has planned a public hearing on Tuesday, March 24, 2015 at 6:00 p.m. at CISD Central Office. The District has appealed the rating and requested a formal review by TEA. At the public meeting the District staff will review the improvements, changes, goals and plans that have been developed. District staff will also discuss the request for a formal review.
