

CHARLOTTE ISD SCHOOLS WILL REOPEN ON SEPTEMBER 8, 2020. FAMILIES WILL HAVE TWO OPTIONS FOR LEARNING:

1. ON-CAMPUS
2. REMOTE INSTRUCTION

PLANS WILL BE IN PLACE TO QUICKLY PIVOT FROM ON-CAMPUS TO REMOTE INSTRUCTION IF A STUDENT NEEDS TO REMAIN AT HOME DUE TO QUARANTINE OR ILLNESS OR IF THE SCHOOL IS TEMPORARILY CLOSED.

## ON-CAMPUS INSTRUCTION

- Daily health screening for students/staff
- New social distancing procedures
- Heightened cleaning & sanitation procedures
- Limited outside visitors
- Masks required when transitioning between classes, when working in small groups, and when social distancing is not possible
- Should it be necessary to close school buildings to the public again for any reason, all students would immediately pivot to remote instruction.
- Eligible for extracurricular activities

## REMOTE INSTRUCTION

- CISD Chromebook (Pre-K - 12th) provided
- Daily attendance required through online interaction
- Quality curriculum with high expectations
- Independent work required
- Online/phone interaction with teachers
- Option to transition to on-campus instruction two weeks prior to the end of the 9 week grading period
- High School - CTE Classes may require some in person instruction

- Pre-K thru 5th grade will be required to meet a minimum of 180 minutes per day (3 hrs)
